THE PRESIDENT'S MESSAGE

It's time again to think of the convention, Central States Numismatic Society's convention, that is. We've had some great ones and this promises to be one of the best. Cincinnati has done it before and they'll do it again. We've got so much in store for us. Not only is Cincinnati a great convention city but the fact that the A.N.A. met on the east coast this last year and will meet on the west coast the next two years makes the Central States convention the largest and most important anywhere between the two coasts. It will be a tremendous opportunity for us, so let's make the most of it. Plan your business and social obligations accordingly. You'll notice that we've moved up the publication date of THE SENTINEL a full two weeks. This is to give you added time for plans and preparations.

The Cincinnati group has added a feature worth watching. This innovation will insure your collection and show pieces as they've never been protected before. Those of you who have prize possessions that you feared to bring before because of the danger of losing them can bring them this time and show us less fortunate ones some of the things we've heard about but never seen. The general chairmen of future conventions will do well to watch this idea for your city.

And plan on joining us at the business meeting (see the convention program for time and room). We have a lot of new things to bring up and need your advice and support. It will also be a good time to meet that great group

from Kansas City, the Heart of America Numismatic Association, who will be our hosts in 1959. They do things in a big way.

But remember, for 1958 it's the Central States Numismatic Society's convention at Cincinnati, May 9-11. We'll be seeing you.

—E. C. GERBER, President

MESSAGE FROM YOUR SECRETARY

CSNS membership, regular and life, stands at 486. This is a gain of 42 the past year. While a gain is commendable, your secretary is unhappy. I want 500 before convention time. Who will help me out? The Central States Numismatic Society should have 1,000 members. If every member this coming year would act as a committee of one, to get just one new member, we could have this 1,000 for the Kansas City convention in 1959.

The best "bargain" I know of is a life membership in CSNS at \$15.00. Some change in yearly dues will receive action at Cincinnati. Why not come to the business session prepared to express your idea on this subject? We invite all organized coin clubs, especially those in the 13 states comprising the CSNS group, to become active members of the Society.

See you in Cincinnati, May 9-11, 1958.

—DR. F. S. EPPS, Secretary

CSNS 1958 CONVENTION

The sixteenth annual convention of the Central States Numismatic Society will be held May 9 to 11 at the Netherlands-Hilton Hotel, Cincinnati, Ohio. Host is the Cincinnati Numismatic Association. General chairman is Sol Kaplan; headquarters is at 413 Race St., Cincinnati 2, Ohio. Committee chairmen are Forrest P. Howe, bourse; Ted Rogers, exhibits; Walter Broker, banquet; Fred T. Potts, registration; Julian S. Marks, awards and prizes; M. J. Brown, hotel; W. W. Lyon, entertainment; Philip E. Lyon, publicity; Gordon Duvall, security. All communications should be sent to the convention headquarters, addressed to the general chairman, a specific committee chairman or the convention secretary, Marvin S. Fessenden. Make your hotel reservations early and at the same time advise the hotel you will be attending the CSNS convention.

To date over 50 bourse tables have been sold and more are being reserved daily. Indications are that the bourse will be a sellout. Conventioneers have been assured the utmost in security that it is possible to provide.

Entertainment Chairman W. W. Lyon has worked out a program for the ladies that will provide them with varied and interesting activities. Included is a trip through the Procter and Gamble plant on Friday, May 9, beginning at 1:30 p.m.; return to the hotel will be about 4:30 with plenty of P & G samples. This visit to the world's largest soap factory is of interest to the men also and they are cheerfully invited to go along. Saturday afternoon, May 10, at 1:00 p.m. there will be a luncheon and fashion show for the ladies in the Terrace Garden, giving them a top view of the city.

What is described as "a terrific cocktail party" will precede the dinner, scheduled for the hotel's beautiful Hall of Mirrors Saturday evening. What else may happen at the banquet has not been revealed.

Because the national convention of the American Numismatic Association

for both 1958 and 1959 will be on the West Coast, this year's CSNS convention may be the largest held east of the Rockies in 1958. Plan to be there and partake of some of the famed Ohio River valley hospitality. Cincinnatians welcome you.

CSNS MEDALS OF MERIT

The Central States Numismatic Society medals of merit have been awarded to the following members since the project's inception: Earl C. Brown, Lillard W. Culver, Col. James W. Curtis, Paul H. Ginther, Glenn B. Smedley and Richard S. Yeoman in 1953; Elston G. Bradfield in 1954; Lewis M. Reagan, James Hurlbut in 1955; Ivan Ebeling, Clyde L. Grimm in 1956; I. T. Kopicki, Ray Fiscus in 1957.

EXHIBIT CASES AGAIN AVAILABLE

The American Numismatic Association is once again making steel exhibit cases available for purchase at a price of \$17.00 a case, regardless of quantity. Advance orders accompanied by remittances must reach the committee chairman, M. Vernon Sheldon, 451 Wrightwood Ave., Chicago 14, Ill., before April 30. Cases are sold on a subscription basis only.

EARL BROWN STILL BED RIDDEN

Earl C. Brown, former CSNS Secretary-Treasurer, is still confined to bed after a paralyzing illness of more than a year. Drop him a friendly card or stop in and see him if you are in Chicago. His address is in care of the Lakeview Home, 6330 Sheridan Rd., Chicago.

CSNS 1959 CONVENTION IN KANSAS CITY

The Heart of America Numismatic Association, host club, is already planning the seventeenth annual convention of the Central States Numismatic Society scheduled for Kansas City, Mo., in 1959. Ray Janda, active in HANA circles, has been named to the CSNS board of governors. President Ray Lefman and other HANA officers were re-elected for two year terms so as to provide the association with seasoned leaders for the 1959 CSNS meeting.

THEODORE ROOSEVELT COMMEMORATIVE?

A bill (S. 3299) calling for a Theodore Roosevelt commemorative half dollar in honor of the centennial of his birth was introduced February 19 by Senators William Langer and Milton R. Young, both of North Dakota. The issue is to be limited to 100,000 and distributed by the Theodore Roosevelt Memorial Park and Badlands Association. All coins are to bear the date "1958" regardless of the year in which they are minted. The bill has been referred to the Senate's Committee on Banking and Currency. The North Dakota Coin Club and the Queen City Coin Club have prompted this commemorative and request that other clubs urge their Senators and Congressmen to back the movement.

THE PRESERVATION OF COINS

This short essay is not to be construed with the wornout subject of how to clean coins. Rather it tells how to take a brilliant uncirculated or proof coin and keep it that way.

The writer, for 10 years, has been a student of chemistry as it pertains to metals, and coins are metals. All metals are subject to oxidation unless they are airtight (sealed) in an **inert** covering. Some metals will oxidize more quickly than others. For example: copper oxidizes more quickly than nickel, and nickel more readily than silver. These three basic metals, or combinations thereof, make up the content of most of our coinage today. Now just what does the word "inert" mean? It means a substance which is not affected by oxygen, or which contains no oxygen. There are very few liquids or solids that are inert, so few that we can name them readily. In the liquids, there are benzene and ether; in the solids, paper that contains no sulphur and in the plastics ethylcellulose, polystyrene and polyethylene. Even plexiglas is questionable because it contains polymethacrylic acid. Any chemical that attacks tarnish on a coin will later attack the metal itself. Butyrate is one of the most volatile plastics and acetate is not much better. They are commonly esterified together and dangerous for the protection of a mint coin.

If collectors are willing to learn and observe the rudiments of chemistry, and protect their mint and proof coins in the proper manner each year as they receive them, there would be no need for future worry about restoring them to their mint condition. But, the collector says, this is all very good advice, but what am I to do? Since all paper contains sulphur, take those uncirculated coins out of the bank wrapper as it has about 5% sulphur content. Take your proof coins out of the cellophane mint sealed package because all cellophane contains nitrate. The new mint sealed proof package does not contain the percentage of nitrate that the usual run of cellophane coin envelopes do, very true, but it still contains some nitrate.

Antitarnish tissue is supposed to be "sulphur-free," but I have tested many sheets of various manufacture and still found sulphur therein. If you use an antitarnish tissue just be sure it tests out "sulphur free" and then you are safe. I know of at least one kind that does test out. In the plastics stay with polystyrene, polyethylene or ethylcellulose, and again you are safe.

Collectors have written me and said, "I have done these very things and still ruined some uncirculated coins." This is a true statement, so what happened? Some foreign element was on the coin when it was covered with the **inert** covering. An example of this would be many of the rolls of uncirculated nickel five cent pieces. Automatic counting and rolling machines used by banks are lubricated by a grease that highly contaminates the metal of the coin. Each coin whether copper, nickel or silver must be carefully inspected, or should be, before you place it in an inert covering of your choice. If this grease is removed within 30 to 60 days from the time of minting, or before it "sets" on the metal, you are safe. Use a clean pocket handkerchief, and then if you are still not sure, immerse the coin in medical benzene and buff it with lamb's wool, then place it in your antitarnish tissue or any of the three mentioned plastics, and you can forget it for your lifetime. It will stay brilliant.

In closing, why is it not better judgment to proceed properly with an uncirculated or proof coin at the time of mintage, than to practice neglect, wake up some morning three years hence and find your investment ruined?

—Dr. F. Stevens Epps, ANA 7679, CSNS LM 70

CLUBS SHOULD JOIN CSNS

If your coin club is not a member of the Central States Numismatic Society, why not? The dues are low—only \$1.00 a year. Also, every collector in the 13 state area covered by the CSNS should be members! Why don't you invite them? The annual rate is \$1.00. And don't overlook the biggest bargain around—life membership for only \$15.00.

COMMENTS ON "MOTTO" DOLLAR BILL

Gordon Canfield, a congressman from New Jersey said recently, "I was privileged, along with a number of House and Senate members early last November, to go to the NATO Parliamentary Conference in Paris, which was a prelude to the high summit talks. When I left Capitol Hill I got from the Sergeant at Arms some of the new dollar bills that were being issued. I was so pleased to note that they had the words IN GOD WE TRUST. Believe you me, it was a thrill to see the way they were received overseas; in France, England, Germany. I heard men and women in the stores, waiters and others, say, 'Isn't this wonderful? Let us hope our countries and all the countries of the free world adopt this slogan someday.' I believe it is true that the United States of America is the only nation on the face of the earth that does have that expression appearing on some of its coins and a portion of its paper currency. I think it is a wonderful thing."

Mrs. Ivy Baker Priest also commented on the new motto, saying "We have had very fine and favorable comment on that legend, both in letters from people and in meetings with people about the country. . . . Many people are very appreciative of the fact that this motto has long been engraved on our coins, but they are happy to have it on our currency now."

The Director of the Bureau of Engraving and Printing, Henry J. Holtzclaw, said that "We were working against a deadline when these first presses (dry process) came in which accounts for the high spoilage that we had on such a large volume of our work. It was announced that the first date of issuance of \$1.00 silver certificates bearing the motto IN GOD WE TRUST would be October 1. We were quite anxious to have on hand a sufficient quantity for a token nationwide distribution. Actually, we had over 40 million notes available on the first of October, starting from scratch in July."

NEW COMMEMORATIVE MEDALS

The American Numismatic Society, 155th and Broadway, New York 32, N. Y. is issuing a bronze medal to commemorate its centennial this year. Orders for the piece must be received by the Society before April 30. The price is \$3.50; the size is three and a half inches in diameter; delivery will be made in June; designer is Laura Gardin Fraser.

Since the province of British Columbia is also a hundred years old this year, the Vancouver Coin Club has caused the striking of a medal commemorating the event. Designed by Club President Robert Everleigh, and Les Hill, the medal is available in silver at \$4.00 and bronze at \$2.50. Order from P. O. Box 167, Vancouver, B. C. The Victoria Numismatic Society has also struck a medal commemorating the centennial which is available in bronze at \$2.75 each. Order from the Society at P. O. Box 73, Victoria, B. C.

CSNS BEST IN SHOW WINNERS

BOOK REVIEW

Arlie R. Slabaugh: **Confederate States Paper Money**, reprinted in revised and enlarged form by the Whitman Publishing Co., Racine, Wis., 1958, 48 pages, illus., soil resistant flexible cover, \$1.00, available from the author or dealers.

The approaching centennial of the Civil War has caused many numismatists to take a second look at the money of 1861 to 1865. Demand for Confederate paper currency is particularly keen and will grow in intensity the closer we get to 1961. Because of the high prices of many varieties, more and more collectors in this field are turning to type sets and Arlie Slabaugh met this demand with a series of articles in **The Numismatic Scrapbook**. This revised and enlarged edition in "Red Book" size is a handy volume in which the author offers an entirely new arrangement of types. His numbering system is not tied in with Bradbeer, Chase, Raymond, etc., which may be a little inconvenient for those who have started type sets numbered according to earlier writers. Written in a smooth and popular style, however, the book will be welcomed to the growing Confederate book shelf. It is a big dollar's worth and should be owned not only by all Confederate paper money collectors but also by every one interested in **numismatica Americana**. Recommended.
